NO. 52

## Astonishing Success.

It is the duty of every person who has used Boecher's German Syrup to let its wonderful qualities be known to their friends in curing consumption, severe coughs, croup, asthma, pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case and we consider it the duty of all druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 50,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all druggists and dealers in the United States and Canada.

## Merit Will Tell.

Was never better demonstrated than when "Fryer's Abietene Remedies" were awarded diplomas at the late California State Fair at Sacramento and at the Mechanics Institute at San Francisco. W. Pinniger is agent for these celebrated "Abietene Remedies" and he offers to return your money if they do not give satisfaction. In buying, be sure the fac-simile signature of D. F. Fryer is on each, as none are genuine without it.

## Ladies

In delicate health and all who suffer from habitual constipation, will find the pleasant California liquid fruit remedy, Syrup of Figs, more easily taken, and more beneficial in effects than any other remedy. It acts promptly yet gently on the bowels, kidneys, liver and stomach, and does not sicken or debilitate. For sale by Wm. Pinniger, Reno, Nevada.

**Babies** That are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by W. PINNIGER, Druggist.

## \$5,000 Reward—\$5,000.

For a better or more pleasant remedy for the cure of consumption, bronchitis, cough, croup, and whooping cough than Santa Abie, the California king of consumption. Every bottle warranted. If you would be cured of that distressing disease, catarrh, use CALIFORNIA CAT-R-CURE, \$1 per jar; by mail \$1.10. Santa Abie and Cat-R-Cure are sold and warranted by Osburn & Shoemaker wholesale and retail agents. Reno Nev.

**Many** Of the good things of life are sorrowfully let alone on account of Dyspepsia. Acker's Dyspepsia Tablets will cure Dyspepsia, Indigestion and Constipation; sold on a positive guarantee at 25 and 50 cents, by W. PINNIGER, Druggist.

## Unnecessary Misery.

Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure, for the reason that no one likes to take the medicines usually prescribed. Hamburg Figs were prepared to obviate this difficulty, and they will be found pleasant to the taste of women and children. 25 cents. At all druggists. J. J. Mack & Co., proprietors, S. F.

struction of Indiana, his last term ending March 15th, 1887. His reputation as an executive officer of the School Department of the Hoosier State is of the very best. Not only in this position, but as one of the leaders in the National Education Association, he has achieved a national reputation. He has occupied the position of Presi-

dent of the Primary Department of this Association. He has written several able papers, which have been read before the assembled educators of this country. With the assistance of Herbert Skinner, he wrote the life of Thomas A. Hendricks, late Vice President of the

## A Fact Worth Knowing.

A physician in Genesee Co., N. Y. who has used Gilmore's Aromatic Wine in his practice, for several years, recently wrote to the proprietors as follows:—"I do not think you give sufficient publicity to the value of your Aromatic Wine in all cases of dysentery, cholera morbus and Summer complaints generally. I have for three seasons past used it in many severe cases of the above, and it has never failed to afford speedy and gratifying relief." No proprietary remedy has ever received such general endorsement from regular physicians of high standing as Gilmore's Aromatic Wine. Agent for Reno, W. Pinniger

## Heart Disease.

Read the hospital reports, read the mortuary reports, read the medical publications, read the daily newspapers, and learn how wide-spread is heart disease, how difficult of detection it is to most people, how many and how sudden are the deaths it causes. Then read Dr. Flint's Treatise on Heart Disease, and learn what it is, what causes it, what disease it gives rise to, what its symptoms are, and how it may be attacked. If you find that you have heart disease, ask your druggist for a bottle of Dr. Flint's Heart Remedy. The treatise may be had on application to J. J. Mack & Co.,

WEDNESDAY.....JUNE 1, 1887

What shall we do with our im-  
migrants is a question that bids fair  
to be a perplexing one, and into it  
there enters nothing of the old  
spirit of "know-nothingism" or of  
antagonism against the foreigner  
as a foreigner.

It is no secret that every country  
in Europe is making the United  
States the stop-bucket into which  
they throw their criminal and pau-  
per classes, and it is against this  
that the best sentiment in the  
country, native as well as foreign-  
born, enters its emphatic protest.  
The statistics of all the almshouses,  
asylums and prisons of the country  
show to what a continuation of the  
present system of unrestricted im-  
migration will lead us. Already  
in New York the support and  
maintenance of foreign-born pau-  
pers, invalids and criminals is be-  
coming a burden that is being  
seriously felt by the State, and the  
State authorities in their published  
reports see no way of relief but by  
restricting the influx of people who  
must be supported by the State,  
either at home or in this country.  
The alarming increase in the per-  
centage of insane in the State of  
New York has led the State Board  
of Charities to make a thorough in-  
vestigation into its cause. The  
Board in its report says:

"Such increase comes almost wholly  
from the shipment of insane and  
otherwise enfeebled persons to our  
shores from different countries of  
Europe who immediately fall upon  
the cities and counties of this State  
[New York] for support."

The rapid increase in the number  
of criminals in various penal in-  
stitutions is due to exactly the same  
source. The United States has be-  
come, says the Chicago *Weekly  
News*, the land which, owing to its  
ill-regulated immigration rules, is  
the asylum of not only the op-  
pressed of all lands but of their  
beggars, paupers and criminals as well.

How long this country will cheer-  
fully submit to the bearing of this  
burden, which has already become  
onerous, is for the next Congress to  
decide.

Newspapers throughout the coun-  
try are propounding the question,  
"What will we do with our boys?"  
This we consider a pretty tough  
problem to wrestle with. A boy is  
an unknown quantity, and an un-  
certain article to deal with. People  
who raise them and who claim to  
understand the art of cultivation  
are always at a loss to know what  
to do with them. The boy seems  
to be the only one who borrows no  
trouble. An important question with  
him is how to get another bunch of  
cigarettes when his stock runs low.  
Boys in olden times seemed to grow  
into men, and those of to-day con-  
sider that the same thing is still  
possible. It is a difficult matter to  
determine the destiny of even a  
wild and wreckless youngster. It  
does not always follow that he will  
continue down the road to ruin  
simply because he was reckless in  
his boyhood. There comes a time  
when a person stops to consider.  
When a boy reaches the stage of  
manhood he scans the field of  
life, and it is not always the  
one who takes the seemingly  
best road that reaches home  
first. It is a deplorable fact  
that the boys of to-day are addicted  
to vices that do them no good, but,  
to the contrary, are impervious to  
them, and this is why the question  
is put, "What are we to do with  
our boys?" It is a question which  
the parties in question must settle.  
Many a good mother has guarded  
her boy like an angel, pleaded with  
him as only a loving mother can  
plead, only to see him fall into the  
breakers of life and be tossed upon  
the shore, a miserable wreck.  
Prayers and training amount to  
naught, unless the boy will profit  
by them. Solve this question  
yourselves, boys, for you are the  
only ones who can and are cer-  
tainly interested in its solution.

In the last quarter of last year  
650 evictions took place in Ireland.  
As many as that often take place  
in New York in a single month.  
And yet people ridicule the idea of  
an anti-poverty society.

ing Charles and Ray Davis called at  
the farm of John Flannigan and A. L.  
Flannigan, and after inducing the two  
sons to go to another part of the farm,  
they forcibly carried off a 12-year-old  
daughter of Flannigan to the woods,  
tied her to a tree and outraged her.  
The next morning the girl was found  
by some neighbors still gagged and  
bound. She was almost delirious from  
her sufferings. She recovered suffi-  
ciently to give the names of the men  
who had assaulted her. An avenging  
party was soon organized and the  
Davis boys were pursued and cap-  
tured. They were brought to the  
scene of their crime and hanged.  
John Enlow, who was strongly sus-  
pected of participation in the villain-  
ous deed, was also hunted down and  
lynched.

A Heavy Waterfall.  
It is reported that the Carson  
river was almost a raging torrent  
yesterday, no doubt occasioned by  
a cloud-burst somewhere along its  
course. At the Brunswick mill it  
is said a cabin was washed away  
and also about thirty cords of wood.  
It rained very hard in Carson and  
vicinity and in the mountains the  
storm must have been unusually  
heavy. Here the wind blew almost  
a gale, but only a few drops of rain  
fell. Heavy clouds obscured the  
heavens in the afternoon, render-  
ing it necessary to light the gas in  
many of the establishments in town.

### Minstrels To-night.

The Lew Johnson colored com-  
pany will perform at the Nevada  
Theater to-night, and those who de-  
sire reserved seats for the occasion  
would do well to call as early as  
possible at Thurston's book-store  
and secure them. Of the entertain-  
ment they give the San Diego, Cal.,  
*Daily Union* says: "The perform-  
ance is a pleasing minstrel show,  
with variations. Mr. Lovett is a  
good singer, and from the applause  
he received, the most popular mem-  
ber of the combination. Miss Haw-  
kins is a neat dancer and a fair  
soubrette."

### A Case Under the Hardy-House Act.

Says Sunday's *Eureka Sentinel*:  
In the case of Charles Prevost, in  
the Justice Court last evening,  
charged with keeping a house on  
the principal business street or  
thoroughfare, where females are  
used and employed to attract no-  
tice and custom to his saloon busi-  
ness, said house having an entrance  
on said street and thoroughfare, the  
jury returned a verdict of guilty.  
The penalty for which is a fine of  
not less than \$25 nor more than  
\$300.

## The "Aurora."

The Aurora for June has been received and is filled with choice literary matter of an entertaining quality. We make no enumeration of its Table of Contents, which possesses the usual variety, but call special attention to the articles under "Vital Questions of the Hour," "Why Silver is Debased," and "The Interdiction of Mining," as containing much of importance to Nevadans. In poetry this number is rather above the average, and the sonnet entitled "California" is a little gem. Bacon & Company, San Francisco, publishers; \$1.50 per year. As each number is complete in itself, subscription can be commenced at any time. Send for a sample copy; you will like it. Only 15 cents.

## KNIGHTS OF PYTHIAS.

The Meeting of the Grand Lodge of Nevada to be held in Reno Next Week—A Partial List of the Delegates.

On Wednesday next the Grand Lodge of the Knights of Pythias of the State will hold at the Masonic Hall, Reno, their regular annual meeting, the same to open at 10 o'clock A. M. The session will probably continue for three days. It is expected that there will be a full representation of delegates from the various lodges of the State, besides many visiting members. Considerable business of an important character, it is hoped, will be transacted. Amity Lodge No. 8, of Reno, has arranged to entertain the visiting brethren in a knightly and chivalric manner. A portion of the entertainment will consist of a grand reception and parade on the second day of the session in which Reno Division No. 2, Comstock Division No. 3, the Patriarchs Militant of Reno, and perhaps Company C will participate as an escort to the Grand Lodge of the State. On the evening of the 9th instant a grand promenade concert and ball will be given in the pavilion, at which all of the participating divisions will be present in full dress uniform. It is believed that the affair will be one of the most notable ever known in Reno.

The following is a partial list of the delegates to the annual meeting:

Nevada Lodge, No. 1, Virginia City—H. C. Hendricks, George J. D. King, Richard Jennings, E. M. Brown, A. B. Stoddard, L. Guggenheim, H. W. Stokes, F. M. Huffaker, Samuel Phillips.

Carson Lodge, No. 4, Carson City—L. H. Elrod, John Douane, P. R. Hofer, J. P. Meier, C. W. Thompson.

Amity Lodge, No. 8, Reno—C. W. Jones, C. C. Powning, J. F. Altken, B. M. Coffin, Lisle Jamison, S. Stanaway.

Toiyabe Lodge, No. 9, Austin—M. Curtis, B. S. Beach, J. E. Farrell, J. H. Trolson, James Murray. Argenta Lodge, No. 9, Battle Mountain—A. D. Lemaire, Walter Davis, J. D. Park.

Triumph Lodge No. 11, Virginia City—George H. Morrison, P. H. Mulcahy, John Wadde, Frank Upton, James Ridge, John Trolson, John Ross.

Lyon Lodge No. 12, Dayton—W. J. Westerfield, John Lathrop, D. F. Norton, John E. Bray, W. R. Davis.

Harmony Lodge No. 13, Gold Hill—F. W. Folsom, Wm. Gilbert, C. W. Keith, E. O. Leemo, John Vass.

Owyhee Lodge No. 14, Tuscarora—L. H. Curry, George H. Bird, George J. Smith, N. H. Black. Esmeralda Lodge No. 16, Hawthorne—A. Summerfield, E. Van Alstein, S. A. Kuapp.

## C. F. Cross, the Forger.

It seems that Cross showed no partiality in his forging exploits yesterday. He patronized the new bank quite as liberally as he did the old one, and, no doubt, like Alexander, shed tears when he saw there were no other worlds to conquer. It looks as though he had concluded to make the last day of May memorable as "forging day" in Nevada. His imitation in penmanship was not up to the standard, but it must be remembered that he was a novice at the business. If the banks had held out and his list of responsible men had not failed him, he might have become a proficient imitator before night. The "early bird catches the worm," was probably his motto. He was not extortionate in his demands, but he might have improved in mathematics also before the shades of evening fell, if he had not been ushered into that secluded retreat known as the county jail. There, nestled in a quiet corner, he can muse over the instability of human hopes and say as Whittier's Judge, "Alas, it might have been."

## Died Away From Home.

Miss Martha Hootman, of Mt. Zion, Iowa, a niece of Mr. and Mrs. C. Allen, who came to Reno about two months ago to care for an invalid brother who came west thinking to regain his health, was taken with typhoid fever about ten days ago and died yesterday morning. Her remains, in charge of her brother and brother-in-law, Frank Small, were taken east on the morning train, and will be buried in the family cemetery in Van Buren county, Iowa.

## The K. of P. Ball.

Every effort is being put forth by the Committee of Arrangements to have the grand ball and promenade concert to be given by Amity Lodge No. 8, K. of P., at the Pavilion, on the evening of June 9th, as social as well as a financial success. A large number from Carson and Virginia City will be in attendance.

## District Court.

In the District Court this morning, James Williams, who was indicted for burglary jointly with T. Smith and F. Martin, entered a plea of not guilty, and, upon motion of the District Attorney, the case against him was dismissed. Smith and Martin plead guilty, and on Friday morning next the Court will pass sentence on them.

## PERSONAL.

C. W. Booten left on this morning's delayed overland train for San Francisco.

Senator Stewart came over from Carson on last evening's Virginia and Truckee express train, and left this morning for the Bay.

Mr. and Marshal Robinson, after an extended visit in the East, arrived in Reno last night en route for their home in Carson.

H. T. Hoadley, Treasurer of Eureka county, after assisting for the past ten days in the opening of the Bank of Nevada, returned home on this morning's overland.

## Picnic at Bowers' Mansion.

The Storey county school picnic, to be held at Bowers' Mansion on June 11th, promises to be a grand affair. Everything will be arranged to insure comfort and pleasure, and the weather permitting there will undoubtedly be a large turnout. The Bowers' Mansion is a delightful place for holding a picnic, and those in charge of the coming one will see that everything is done for the enjoyment of those in attendance. The parlors of the mansion will be thrown open, and those in the spacious rooms of the old building will be told again the history of the mansion and of him who built it, and who sleeps on the bill above the place that was once his home. An interesting programme has been marked out, and as the contest for prizes is always hotly contested on such occasions, the day will be replete with pleasant and exciting games. Everyone who can do so should not fail to go to Bowers' Mansion on Saturday, June 11th.

## G. A. R. Card.

As members of the Grand Army of the Republic, we take exceptions to the last sentence of the article appearing in your columns of last evening, from the pen of "The man who refused to contribute." The G. A. R. would not dictate to any, as to their duty, in contributing toward making Memorial Day sacred to our fallen comrades, but "The man who did not contribute" should not close his remarks derogatory to an organization whose object and aim he knows nothing about. As he himself affirms, he is not a member of the order, that has for its motto, Fraternity, Clarity and Loyalty. When he would infer that we are working as a political club, he either asserts a falsehood or exhibits an ignorance unpardonable in a leading business man. (Signed:) N. P. Jaques, Chas. Johnson, W. L. Bechtel, and many others.

## Right of Way Troubles.

The Nevada & California railroad is experiencing the trouble common to all railroad enterprises resulting from the extreme short-sightedness of people in an agricultural region. Matters in regard to right of way across desert claims have assumed a condition so annoying that the company has been obliged to withdraw its large force of men from the upper part of Long Valley. This action must result in a great loss to the company and disappointment to the good people north, who are anxiously awaiting the road and who appreciate its value far beyond that of sagebrush deserts and no market for crops. It pains us to learn that this enterprise is to be abandoned on account of this dog-in-the-manger policy.

## Natural Resources.

A striking illustration of the diversity of Nevada's mineral wealth was noticed by a GAZETTE reporter yesterday in the laboratory of our local chemist and assayer, C. M. Fassett. In process of analysis or assaying were specimens of copper ore from Douglas county, gold and silver ore from Washoe county, nickel and cobalt ore from Churchill county, and crude carbonate of soda from one of the large alkali deposits of Esmeralda county.

Mr. Fassett has lately completed a partial analysis of a hot spring on the line of the N. & C. R. R. extension, with reference to the adaptability of the water for use in the company's locomotives.

## The Reno Reduction Works.

Among the recent lots of ore received at the Reno reduction works were two carloads from Benton, one from Bishop Creek, one from Candelaria, two from Battle Mountain, and one from New Castle, Cal. Shipments of bullion are being made from the works to San Francisco every few days, a carload of the crude article being sent down on Monday last. Another will be sent down to-morrow. The 30-ton furnace is kept running constantly.

## A New Borax Company.

The Teels Marsh Borax Company was incorporated in San Francisco yesterday, to mine borax in Nevada. The Directors are F. M. Smith, Warren Olney, J. W. Mather, Allan P. Clough, and J. H. Maynard. The capital stock is \$1,000,000 divided into 100,000 shares.

## Beef and Mutton.

The prices for beef are shading off from those quoted in these columns last Saturday, a prominent butcher in town having contracted this morning for his summer's supply at seven cents per pound. Mutton remains firm at six and six and a half cents.

## BREVITIES.

## Local and General News.

Carson was visited yesterday afternoon by a heavy shower of rain. The heavy shower of rain last night was refreshing.

C. J. Brookins' musical department cannot be beat east of the mountains. He also keeps a full assortment of school books, pass books, candles, fine tobacco and elegant cigars.

The atmosphere was so charged with electricity last evening that several, among them Superintendent Stevenson, were shocked while handling the insulated wires of the Electric Light Company.

The Grand Chapter of the Royal Arch Masons of Nevada will meet in the Masonic Hall, Reno, on June 13th. The Free and Accepted Masons of the State will meet at the same place on Tuesday, June 14.

The Band of Hope will give an entertainment on Friday evening next. A fine literary and musical programme is being arranged for the occasion. Further particulars will be given in these columns to-morrow.

On account of a large washout, caused by heavy rains, near Brown's, on the Central Pacific road, the overland express train due here last evening at 8:10 o'clock, did not arrive until this morning at half-past 7 o'clock.

## A CHILD'S SKIN.

Ears and Scalp covered with Eczematous Scabs and Sores Cured by CUTICURA.

MY LITTLE SON, AGED EIGHT years, has been afflicted with Eczema of the scalp, and at times a great portion of the body ever since he was two years old. It began in his ears and extended to his scalp which became covered with scabs and sores, and from which a sticky fluid poured out, causing intense itching and distress, and leaving his hair matted and lifeless. Underneath these scabs the skin was raw, like a piece of beefsteak. Gradually the hair came out and was destroyed, until but a small patch was left at the back of the head. My friends in Peabody knew how my little boy had suffered. At night he would scratch his head until his pillow was covered with blood. I used to tie his hands behind him, and in many ways tried to prevent his scratching; but it was no use, he would scratch. I took him to the hospital and to the best physicians in Peabody without success. About this time some friends who had been cured by the CUTICURA REMEDIES prevailed upon me to try them. I began to use them on the 15th of January last. In seven months every particle of the disease was removed. Not a spot or scab remains on his scalp to tell the story of his suffering. His hair has returned, and is thick and strong, and his scalp as sweet and clean as any child's in the world. I can not say enough to express my gratitude for this wonderful cure by the CUTICURA REMEDIES and wish all similarly afflicted to know that my statement is true and without exaggeration.

CHARLES MCKAY, Peabody, Mass.

I have seen Mr. McKay's boy when badly affected with Eczema. He was a pitiful sight to look at. I know that he has tried our best physicians, and did all a father could do for a suffering child, but availed nothing. I know that the statements he has made you as regards the curing of his boy by your CUTICURA REMEDIES are true in every particular.
